Please use the attached version for your updates.

I have removed the yellow highlights and red text from  
this report, for your ease in updating.

Reminder of procedures: please prepare the current week's  
report:

1. add **yellow** highlights to each box where you have text changes
2. mark all text changes [only the changed text, not the entire section] in red ... this will help me figure out what changes have been made when I receive updates in one item from two organizations.
3. please ~~strikeout~~ text you would like removed.
4. if the date has changed, please reposition the item so that it is in

chronological order.
